## CHAPTER I

### INTRODUCTION

The purpose of this study was to collect, record, and organize chronologically, facts and data pertaining to the history and development of varsity intercollegiate track and field at Eastern Illinois University into one permanent volume.

The method of procedure was to utilize the historical method of research.

Several procedures are involved in the historical method of research: selecting and delimiting the problem; collecting and classifying source materials; criticizing source materials; formulating tentative hypotheses to explain events or conditions; and interpreting and presenting the facts or findings.<sup>1</sup>

Sources included the Eastern Illinois Normal School Classbook, Eastern Illinois Normal School W'apper, the Eastern Illinois University Warbler, the Charleston Courier-News, the Teachers College News, the Normal School News, the Eastern State News, the Eastern Teachers News, the Eastern News, the Chicago Tribune, the Athletic Journal, Fifty Years of Public Service, varsity records, and interviews with various person-

alities who have been connected with track and field at Eastern.

Numerous problems have caused apparent weaknesses in this history. The problems were mainly due to a lack of old and accurate records. Often contradictions arose in the various resources. Interviews were not entirely reliable due to the passage of time and its affect on memories. Also the lack of records hindered in determining schedules, results, and the full names of many of the participants.

The long jump event will be referred to as the broad jump up to the year 1965, at this time the terminology was revised.

Track events such as the 100 yard dash, one mile run, 120 yard high hurdles, and 220 yard low hurdles will be abbreviated to 100, mile, high hurdles, and low hurdles.

Times recorded in minutes, seconds, and fractions of seconds will be listed in apreviations such as :10.2 for ten and two tenths seconds, and 10:10 for ten minutes and ten seconds.

Early in Eastern's track history times were recorded in fifths of seconds instead of tenths. The reason for this

difference is that times were first recorded on watches used to time horse races, which were accurate to a fifth of a second rather than a tenth.<sup>2</sup>

The chapters of this history will be organized as follows: Chapter II, The Developmental Years; Chapter III, The Era of Frank Beu; Chapter IV, the Era of Winfield Scott Angus; Chapter V, The War Years; Chapter VI, The Early Era of Maynard "Pat" O'Brien; Chapter VII, The Era of John Lewis; Chapter VIII, The Later Era of Maynard "Pat" O'Brien; and Chapter IX, the Summary.

Appendixes will be utilized in this history to reveal the following facts: yearly won-loss records; yearly team members; and present conference, team, and Lincoln Field records.

## CHAPTER II

### THE DEVELOPMENTAL YEARS

This chapter concerns itself with the origin and development of varsity intercollegiate track and field at Eastern Illinois University. It begins with initial development of the sport by Charles P. Lantz in 1912 to the year 1927 when the team was under the direction of Lewis A. Moore.

#### Origin of Track and Field-1912

In the year 1912 Coach Charles P. Lantz first introduced track and field at Eastern Illinois Normal School as a varsity sport. Lantz graduated from Gettysburg College, in Gettysburg, Pennsylvania, in 1909; he came from Harrisburg, Pennsylvania to Charleston in 1922 as the first male teacher of Physical Education at Eastern. Lantz was also a long time coach of football and baseball and was noted as a man of high integrity.<sup>1</sup>

Coach Lantz worked energetically with the track team and the first dual meet was held in the Spring against Charleston High School. The success of the meet led to a dual

## THE PHYSIOLOGICAL BASIS

This chapter concerns itself with the origin and development of psychic phenomena.

It is the purpose of this chapter to discuss the development of the human mind from the point of view of the physiological basis. The chapter is divided into two parts: (1) The development of the human mind from the point of view of the physiological basis; (2) The development of the human mind from the point of view of the psychological basis.

Origin of Mind and Matter

In the year 1859 Charles Darwin published his book "On the Origin of Species" which has since become one of the most important works in the history of science. Darwin's theory of evolution has been widely accepted and has led to a new way of thinking about the origin of life and the development of the human mind. Darwin's theory of evolution is based on the fact that all living organisms are descended from a common ancestor. This theory has been supported by a large amount of evidence, including the discovery of fossil remains and the study of the anatomy and physiology of various animals. Darwin's theory of evolution has also led to a new way of thinking about the origin of the human mind. It is now generally accepted that the human mind is the result of the evolution of the brain and the nervous system.

It is generally

and the mind has been developed by the action of natural selection.

with Rose Poly of Terre Haute, and the first track and field squad in its first intercollegiate meet was successful by "a good margin of points."<sup>1</sup>

Ten men competed on that first team with all but one of them competing in two or more events. Members of the team were Richard Ginther in the hurdles and relay; James Butler in the 50, 100, and 220 yard dashes, and the relay; Benjamin Anderson in the high jump, relay, and all the dashes; David Kime in the pole vault and broad jump; James Hill in the shot put and hammer; Paul Ewald in the mile and 880 yard run; Ferdinand Steinmetz in the shot put, hammer, and discus; Frank Lindhorst in the relay, 220, and 440 yard dashes; Arthur Frazier in the 440 yard dash and 880 yard run; and Leonard Stratton in the high jump.<sup>2</sup>

The captain of the first track team was James Grove Butler who also played football and basketball. Paul George Ewald was twice class president and also president of the school athletic association. He played football and

In December of 1912, Eastern was admitted to the Illinois Intercollegiate Athletic Association as its thirteenth member. The association was organized in 1908 primarily to sponsor track meets between the member schools. Eastern has been a member continuously since its acceptance into the organization. In 1920 it reorganized as the Illinois Intercollegiate Athletic Conference, or the IIAC.<sup>2</sup>

#### 1913-1915

Unfortunately no records or evidence are available of a track and field team during this period.

#### 1916

Following Coach Lantz's initial season as a track coach the teams were for several years coached by teachers outside the field of Physical Education. Thus in 1916, a Mr. Storer and a Mr. Hubbard were in charge of track work.<sup>3</sup>

A dual meet with Rose Poly was to be held that Spring, but no arrangements or results were reported.<sup>4</sup>

Arthur Wright was also a member of the YMCA. In December of 1911, Wright was elected to the Illinois International Athletic Association as its president.

The association was organized in 1909 to assist in the spread of athletic sports in the United States. It has been a leading organization since its inception. In 1910 it was organized as the Illinois International Athletic Association, at the time of the Chicago Conference.

The conference meet was scheduled that year for Jacksonville, Ill. on May 27 and 28. The results of the conference meet were reported in the Normal School News on May 30.

Millikin won easily with 46 1/3 points. Illinois College was second with a 26 1/3; Bradley third with 22. Other schools and their point totals were as follows: McKendree 8 1/3; Lombard 8; Shurtleff 8; Hedding 4 2/3; Eureka 4 1/3; Illinois Wesleyan 3 1/3; Lincoln 1; and Normal (Eastern) 1.

Outstanding performances in the meet were turned in by Johnson of Millikin who broad jumped 22 ft. 4 3/8 ins., and by Wallace of Bradley who ran the mile in 4:38 2/5. It was not possible to determine who scored for Eastern in the meet.<sup>1</sup>

Members of the team that year were Eric Brown and Young in the weights, Steven Turner in the sprints, "and other good men in the other events."<sup>2</sup>

In 1917, Mr. Joseph P. Carey was in charge of the Eastern track team. Carey was a geography teacher who had come to Charleston after graduating from the University of Chicago.<sup>3</sup>

Some of the members of that team were McGohey, McGurty, William Allison, Hall, Hutton, and Martin Otto Schahrer.<sup>1</sup>

Schahrer who was class president in 1917 was later killed in France, at St. Mihiel, during World War I. The Normal School Athletic Field was renamed in his memory at homecoming in 1919. A granite boulder, now located just adjacent to the west wall of Booth Library, holds a bronze tablet commemorating his name. It is approximately on this site that Schahrer Field was located. Its equipment consisted of a quarter-mile cinder track, a football gridiron, a baseball diamond, and bleachers.<sup>2</sup>

No information is available of the success or failure of the 1917 team.

#### 1918-1921

In the spring of 1918, World War I began having a heavy affect on athletics at Eastern. Several men enlisted to serve and this greatly depleted the male enrollment. As a result no evidence is available of a track team during those two years.<sup>3</sup>

Little mention is made at all of track and field during the years 1920 and 1921. Comment is found in the 1920 Warbler that the IAC meet was to be held at Peoria on Saturday, May 22.<sup>1</sup>

In 1921, Mr. Lewis Moore and Mr. Earl Hall were in charge of track and field work, with Mr. Hall coaching those in the field events. Prospects were not bright and it was doubtful that a team would be formed.<sup>2</sup>

Mr. Moore came to Eastern from the University of Illinois where he received his bachelors degree and later his masters degree. Mr. Moore taught agriculture at Eastern from 1920 to 1928.<sup>3</sup>

Mr. Hall came to Eastern from the University of Chicago where he had received his bachelors and masters degrees. Mr. Hall was a teacher of biological science.<sup>4</sup>

Nothing more is available of track and field during this year, evidently World War I's effect lasted several years after the close of the war.

1922

Hopes were high for the track and field team of 1922. Coach Lewis Moore, assisted by Mr. Spooner with sprinters and Mr. Hall with weights, issued a call for men late in March; about twenty men were expected to report. Among these were Forrest Greathouse of Toledo, who was labeled "the most promising track man that has entered Eastern Illinois for some time," and who seemed assured of being a sure point maker in the sprints.<sup>1</sup>

Mr. Charles S. Spooner, who was mentioned above, came to Eastern in 1920 as a teacher of biological sciences. He received his A.B. degree from Cornell University, and his A.M. degree from the University of Illinois.<sup>2</sup>

Because of poor weather the team had little opportunity to work hard that Spring, but still managed to make a commendable showing at the conference meet in May, at Monmouth.

conference was called then, track and field meet with 60 1/2 points. Next in order were Monmouth 25 1/2; Lombard 23; Illinois College 15 2/3; Eureka 12 2/3; Eastern Illinois 7; Naperville 7; Hedding 6 1/2; Illinois Wesleyan 5 1/2; Lincoln 5; Normal University 3; and Shurtleff 1/6.

The meet was a considerable success as new records were set in every event except the high hurdles, the half mile run, and the javelin throw. Excellent records were set in the 100 yard dash by Swanson of Lombard who ran it in 9 4/5 seconds; and by Sward of Knox, who broad jumped 22 ft. 11 in.

Eastern placed in four events. Forrest Greathouse placed fourth in the 100; Montelle Hunter, fourth in the discus; and Ray Duncan, second in the high jump, and third in the broad jump, scoring a total of five points individually.<sup>1</sup>

Forrest Giensworth Greathouse was not only an outstanding track man, but demonstrated such skill in football and basketball that he was elected captain of both teams. He was also vice-president of his class. Greathouse was later killed in a mountain climbing accident in Washington.<sup>2</sup>

1923

Prospects looked bright for the thinclads of 1923, returning were Ray Duncan, Montelle Hunter, and Forrest Great-house from the previous year's fine squad which had made "its presence felt very forcibly at last year's state meet." Also two former high school athletes were expected to lend strength to the team.<sup>1</sup> Unfortunately a crisis arose that was to dampen spirits.

During the Winter it was disclosed that \$200 would be needed to conduct Spring sports. Without it there would be little chance of having baseball or track.

The student council proposed to raise the student athletic fees 50¢, to a total of \$1.50 for the year. This plan was rejected. Reluctantly it was decided to raise the 50¢ per head needed by popular subscription among the school classes.

Unfortunately this plan proved a failure;.. "the response from the student body was disappointing as less than half the amount needed to steer the good ship, 'athletics' through the Spring term was raised."

The crisis mounted as the time passed through March

Programs looked forward for the duration of 1961, the

During the winter it was indicated that 1960 would be

 The summer council program to enter the summer 1961  
 have been 1961, to a total of \$1.25 for the year. This also  
 was rejected, "because it was decided to make the 1961

Consequently this also proved a failure... the response

and into April. Finally the faculty came to the rescue in mid-April by subscribing \$100 to the athletic treasury. With this amount added to the \$85 garnered by the students enough money to support Spring athletics was on hand.

Another problem then arose, most of the schools Eastern usually engaged in track and baseball had already filled their schedules. It seemed impossible that a respectable schedule could be arranged. Nevertheless, Eastern did have a successful track season.

Although few records are available, it was acknowledged that Eastern had a near conference championship in 1923. Ray Duncan placed in the 100 and 220 yard dashes, and in the broad jump, besides tying for first in the high jump. Montelle Hunter set a new conference record in the discus of 128 ft. 3 in.; and although Greathouses' accomplishments are not delineated, there is no doubt that he did well also.<sup>2</sup>

and into which, through the family, we see the system in  
 mid-stage of development, too in the social context, this  
 this system which is the subject of the scientific study  
 may be viewed being subject to the same.

Another problem that arises, only if the system is  
 viewed as a whole and not as a part, is the question of  
 their stability. It seems impossible that a system  
 should be stable, however, if it is not stable. It has  
 a tendency to change.

Although the system is stable, it may be changed  
 and become a part of another system. It is this  
 process which is the subject of the study, and in the

 is also the subject of the study. It is the subject of

Duncan and Hunter were expected to lead the team and although Greathouse was not returning, it was thought that perhaps three or four others could be found to take his place. Unfortunately, Hunter did not return to school that Spring.<sup>1</sup>

On Friday May 19, the cindermen traveled to Terre Haute to compete with Indiana Normal (State) in a dual meet. Indiana Normal won easily, 80 1/2 to 45 1/2.

Ray Duncan demonstrated his tremendous ability during the meet by taking four firsts in the five events he entered. Duncan won the 100, in:10 3/5, the 220 in :23 4/5, the high jump at 5 ft. 7 in., and the broad jump at 20 ft. 10 1/2 in. He also placed third in the 16 lb. shot put. Previously during the week, he had jumped 6 ft. 1/2 in. while practicing the high jump, and prior to the beginning of the meet he had broad jumped 22 ft. on a preliminary test.

Other point getters in the meet for Eastern were: Paul Hall, first place tie in the pole vault at 10 ft. 3 in., and third in the broad jump; Delbert Miller, third in the 100;

Due to the lopsided results of the Indiana Normal meet, a skeptical viewpoint was taken of the training methods of the team by the school newspaper. It states,..."their present system of getting into condition that is not recommended by any authority on track matters will never produce anything to set the world afire." It was felt that should some of the others, excluding Duncan and Madden, decide to train for competition, Eastern could be represented by a fairly good track team.<sup>2</sup>

The men picked to represent Eastern in the Little Nineteen conference meet were Duncan in the dashes, broad jump, and high jump; and Madden in the 440. It was hoped that "Dunc" would set a new conference mark in the high jump if he were not worn down by the other events. High hopes were ex-

pected of Madden also.<sup>1</sup>

The conference meet was held at Peoria on May 23-4. Knox College won with Lombard, Bradley, and Monmouth finishing in that order. Duncan and Madden just barely got into the point column as Madden failed to qualify in the 440, and Duncan tied for fifth in the high jump at 5 ft. 6 in. Duncan no doubt would have done better, but he pulled up with a cramp in his right leg while leading a preliminary heat of the 220. He had previously qualified in the 100. Just that week he had jumped 6 ft. 1 in. in practice.<sup>2</sup>

Once again, in June, the school newspaper came out in criticism of the track team:

Track did not receive the attention or time it should have and Duncan went to Peoria minus some necessary training. Result--a crippled leg that ended chances for Eastern Illinois points. Madden, a freshman, showed great promise in the quarter, and a few others might have amounted to something if they had cared to train for competition.<sup>3</sup>

## 1925

The outlook for Coach Moore's 1925 squad again looked bright. The team included Harold Newlin of Robinson who had placed third in the 880 in the Illinois State High School Meet; Joe Pifer of Paris who had taken a third in the Chicago Stagg meet two years previously; Vernon Replogle, a 220 man from Eastern's Teachers College High; Lindley Roughton, a quarter-miler; Dean Smith and Rex Benoit, middle-distance men; and Eddy Sims, a sprinter.

Other men on the squad were Andrew Taylor, low hurdles; Francis Turner, Vance Hubbert, Carroll Dunn, Teddy Sims, and Ralph Edwards, distances; Bill Phipps, high jump; and Eldred Walton, shot and discus.

Working with the field men was Mr. H. Harry Giles, an English teacher from Ohio State University. Tops in this department were George Kirchner of Kansas in the pole vault;

1911

The Division for Coach Work & 1911 again favored  
 highly. The team included several members of Johnson who had  
 placed third in the 800 in the Illinois State High School  
 meet; the first of these was not listed in the Chicago  
 year book two years previously; former captain, a 10 man  
 from Chicago's Teachers Union High School, was  
 participating, and with the former, middle-distance  
 man, and Edgy King, a sprinter.  
 Dick was on the squad with Robert Taylor, the sprinter;  
 Tommie Turner, Vance Howell, Carlisle King, Noble King, and  
 Ralph Edwards, distance; Bill Wilson, Edgy King, and Wilson  
 Wilson, shot and distance.  
 Working with the first one was Mr. E. Harry Wilson, an  
 English teacher from Ohio State University. Upon in this de-  
 partment were George Edwards of Kansas in the 100 yard

Ralph Casey in the shot put; and Montelle Hunter, conference record holder in the discus.<sup>1</sup>

On tap were three dual meets:

April 24, Rose Poly, here

April 30, Millikin, here

May 13, Indiana Normal, here<sup>2</sup>

On April 24, Rose Poly edged Eastern 66 1/2 to 64 1/2.

Vernon Replogle with 17 points was the star of the meet. Replogle won the 440 in :54 2/5 sec., the low hurdles in :27 3/5, placed third in the javelin, and anchored the winning 880 relay team which ran 1:41 2/5.

Other place finishers for E.I. were: Harold Newlin, first in the 880 in 2:16; Ruel Hall, first in the broad jump at 21 ft. 2 1/2 in., and pole vault at 10 ft. 3 in.; Montelle Hunter, first in the discus at 108 ft. 5 1/2 in.; Rex Benoit, third in the mile, second in the low hurdles, and tied for first in the highs; Ralph Casey, second in the shot put; Andy Meurlot, third in the high jump; and Vernon Barnes, tied for third in the pole vault. On May 13, Indiana Normal once again soundly defeated the Mooremen. Although the meet was a good one, the final score was 82 to 44. This time Ruel Hall proved to be Eastern's star. Hall won the broad jump at 21 ft. 3 in., and tied for first in the pole vault at 11 ft., his best vault ever. Also winning first were: Andy Taylor in the javelin at 137 ft. 4 in.; and Vernon Replogle in the low hurdles in :26 4/5.

Little information was available on the Little Nineteen track meet held at Galesburg on May 23. Montelle Hunter placed in the discus with a throw of 122 ft. ### 1926

In March of 1926 track prospects once again began working out under the direction of Coah Moore. Back from the previous year were Joe Pifer, Vernon Replogle, Harold Newlin, and Bill Phipps.<sup>3</sup>

The schedule for that year was as follows:

Apr. 17, Rose Poly, here

Apr. 24, Indiana Normal, at Terre Haute

On Apr. 17, in rather poor weather, Rose Poly pulled down the Blue and Gray on Schahrer Field, 87 to 44. Vernon Replogle and Harold Newlin accounted for four of Eastern's six firsts. Dunning of Rose stepped off the 100 in the excellent time of :10.1.

The summary of the scoring for Eastern is as follows: Replogle, first in the low hurdles in :27.0, and broad jump at 20 ft. 8 in., second in the 440, and third in the 100 and javelin; Newlin, first in the 880 in 2:16.3, and the two mile in 11:50 1/5; Leo Baker, first in the javelin at 151 ft. 1 in.; and Paul Wilson, first in the pole vault at 10 ft. 9 in. Other placers were: Thomas Routledge, third in the 220; Joe Pifer, second in the mile; Don Pence, third in the two mile; Lowell Krutsinger, third in the high hurdles; Joe Strader, third in the discus and shot put; Andy Meurlot, third in the high jump; and Bob Worsham, third in the pole vault.<sup>1</sup>

On the following Saturday, the squad traveled to Terre Haute to lose to Indiana Normal 79 to 47. Vernon Replogle was not there and undoubtedly would have made the score much closer.

On a rather wet and cold Friday afternoon, Millikin trounced Eastern 72 to 54, and ended any hopes for a track win that year. The only strength that E.I. showed was in the middle distance runs. Millikin had several excellent dash men including Harris who ran the 100 in :10.2, and Barnes winner of the 440, and 220 in :23.1.

Winning events for the Blue and Gray were: Fresco Shipman in the shot put at 34 ft.; Omar Wilson in the pole vault at 10 ft.; Vernon Replogle in the 880 in 2:15 1/5; Harold Newlin in the mile in 5:02.5; and Don Pence in the two mile in 11:27.

## 1927

In the Spring of 1927 prospects for track for Coach Moore appeared only fair, mainly because of a lack of depth. Back from the previous year's squad were Tom Routledge in the dashes and broad jump, Norman Goldsmith in the middle distances, Leo Baker and Paul Wilson in the javelin, and Wilson and Robert Worsham in the pole vault. The other events were expected to be filled by new men, including Nolan Sims, a hurdler from Teachers College High School, and Donald Voris in the shot put. Baker and Routledge were the only returning

The schedule for the season was as follows:

May 6, Indiana Normal, here

May 14, Millikin and McKendree, at Decatur

May 20-21, IIAC, at Peoria

In the first meet of the year Eastern lost to Rose Poly by a score of 106 to 24. Rose won every event except the discus in attaining the highest score ever for a Rose team, and the worst defeat for an E.I. track squad. One possible excuse for the thinclads may have been that they were unable to practice the week previous to the meet because of Easter vacation.

Fred Creamer took Eastern's only first place by throwing the discus 104 ft. 7 1/2 in. Don Voris was high point man for the losers with six points, picking up seconds in the discus and shot put.

Other placers for the team were: Tom Routledge, second in the 220, and third in the 100, George Haddock, third in the

On Apr. 26, the track team lost to Shurtleff College by a score of 82 to 49. Outstanding feats in the meet were accomplished by F. White of Shurtleff, who came within a few yards of lapping his nearest opponent in the two mile, winning in 10:55.8; and by Don Voris of E.I. who put the shot 43 ft. 11 in. Although there are no records to prove it, this is most likely a school record to that time.

Eastern only took three other firsts: Tom Routledge in the 220 in :24.4; Leo Baker in the javelin at 145 ft. 7 in.; and the 880 relay team of Nolan Sims, Irwin Hill, George Haddock, and Tom Routledge in 1:40.5.

Also gathering points were: Routledge, third in the 100 and broad jump; Hill, third in the 220; K. A. Harrison, second, and Haddock, third in the 440; Norman Goldsmith, third in the 880; Cedric Henley, third in the mile; Ken Sims, third in the two mile; Nolan Sims, second in the high and low hurdles; Bob

Eastern kept its record clean that season by losing the last dual of the year to Indiana Normal, 79 to 51.

Indiana Normal's Connelly proved the most popular athlete of the day when he stopped ten yards short of the finish in the two mile run, with his time at 10:06, to allow his teammate to win and make his letter.

Nolan Sims was high point man for Eastern, winning the high hurdles in :17.0, and the lows in :29.0 for a total of ten points. Bob Worsham tied for first in the pole vault at 11 ft. 2 ins.; Don Voris won the shot put at 35 ft. 3 1/2 ins.; Fred Creamer the discus at 109 ft. 10 in.; and Paul Wilson tied in the high jump at 5 ft. 4 in. to account for the rest of Eastern's firsts.

Also scoring for E.I. were; Tom Routledge, second in the 100, 220, and broad jump; Norman Goldsmith and K.A. Harrison, second and third in the 440; Everette Womac, third in

 Fred Gardner, third in the javelin and second; and Jim Brown-

Eastern boys are second class that season by losing

the last year of the year to William Brown, 22 to 21.

William Brown's success proved the most popular athlete  
 of the day when he jumped ten yards short of the English in  
 the low jump, with his time at 12:05, to show his com-  
 mence to win and with his father

William Brown was high jump man for Eastern, winning the  
 high hurdles in 17:05, and the time for 12:00 for a total of  
 29 points. The English had the lead in the high jump at  
 11 to 2 feet; but Brown won the spot at 12 to 1 1/2 feet.

Paul Gardner the distance at 108 ft. 10 in., and Paul Wilson  
 led in the high jump at 5 ft. 6 in. to become for the year  
 of William's success.

Also winning for E.S. were: Tom Smith, second in  
 the 100, 200, and 400 yard sprints; Norman Williams, and E.S. Mac-  
 Kean, second and third in the 100; Kenneth Brown, third in

In the triangular meet at Decatur, Eastern scored only 16 points to 47 for McKendree, and 72 for Millikin.

Only five men figured in the scoring for Eastern, Don Voris won the shot put; Bob Worsham, tied for first in the pole vault; Tom Routledge, took third in the 100 and 220; Nolan Sims, took third in the low hurdles; and Ken Sims, took third in the two mile.

The best marks of the day were by Malosh of Millikin who high jumped 5 ft. 11 in.; and by Kincaid of Millikin who threw the discus 123 ft.

Speculation had it that point winners in the triangular would go to Peoria for the conference meet. However, no records are available of E.I. in the meet.<sup>2</sup>

Letter winners that year were Tom Routledge, Fred Creamer, Nolan Sims, Robert Worsham, David Voris, Paul Wilson, and Leo Baker.<sup>3</sup>

Summary

From 1912 to 1927 much was accomplished in track at Eastern. Although Eastern won only two dual meets against ten losses, it had made several respectable showings in the conference meets. Also several excellent track and field men came out of the school. Among these were Ray Duncan, Montelle Hunter, Vernon Replogle, Harold Newlin, and Forrest Great-house, all of whom made many fine records.

Coach Moore closed out his tenure as head coach with no wins and ten losses in dual meet competition. But much credit is his in that his teams always made proud showings. He was instrumental in advancing Eastern's track team to the status of a major sport, his record can in no way speak for his accomplishments.

### CHAPTER III

#### THE ERA OF FRANK BEU

This chapter concerns itself with the years in which the track team was coached by Frank Beu. The era begins with the year 1928, and continues through the year 1932.

#### 1928

The year 1928 saw Frank Andrew Beu take over the reins of the track squad. Mr. Beu was a teacher in the education department at the time he coached track. He later became Dean of the College and remained in that position til 1942, when he left for a position as Dean of Men and later President at Western Illinois State College, at Macomb.<sup>1</sup>

Coach Beu is remembered by one of his track men, Teddy Sims, as a kindly, jovial, man who had a sly way of telling an athlete to work harder when he was not putting out enough in practice.<sup>2</sup>

Among those back from the 1927 team were Everett Womack, Jim Shoemaker, George Haddock and all of the Sims brothers; Nolan, Teddy, Kenneth and Robert.

Lost through academic difficulties were two stars of the '27 team, Fred Creamer and Tom Routledge. Also lost for the same reason was Robert Mattix, a good middle distance man.<sup>1</sup>

The schedule for the year was as follows:

April 12, Indiana Normal, at Terre Haute

April 23, Rose Poly, here

April 26, Shurtleff, here

May 4, Southern Illinois, at Carbondale

May 12, Teachers College Meet, here

May 26, 27, State Meet, Macomb

The E.I. track team lost their first meet of the year to Indiana Normal on April 12, scoring 52 points to the Hoosiers 79.

Eastern managed to win or tie for first in seven of the fifteen events, but a lack of depth proved their shortcoming. Eastern's firsts came in the 880 relay race ran by Ernest Ballard, Nolan Sims, Teddy Sims, and Russel Tripp in a time of 1:41; N. Sims in the high hurdles, at :16.8; Jim Shoemaker in the discus, at 108 ft. 9 in.; Robert Warren in the shot put, at 35 ft. 6 in.; Lowell Story in the javelin, at 150 ft.; Ballard tied for first in the 220, at 23.9; Harry Phipps and William Whitacre tied for first in the high jump, at 5 ft. 4 in.

same cases, but Robert Hester, a good middle distance man.

The 1911 track team had their first meet of the year

Eastern's other points were made by Tripp, who took second in the 440; Paul Wilson, tied for second in the pole vault; and third in the javelin and shot put; Phipps, third in the broad jump; N. Sims, second in the low hurdles; Kenneth Sims, third in the two mile; Jim Hughes, third in the mile; Otho Green third in the 880; and Ballard third in the 100.

Nolan Sims was Eastern's high point man amassing a total of eight points.<sup>1</sup>

The second loss of the season came on April 23, against Rose Poly by a score of 92 to 37.

Only three first were made by the Eastern Teachers, two by Nolan Sims in the hurdles, and the other by Ruel Hall in the broad jump.<sup>2</sup>

Little else is available on the meet.

On April 26, E.I. scored eight firsts but still lost to Shurtleff College 74 to 56. N. Sims again won both hurdle races, 16.5 in the highs and 27.0 in the lows. The 880 relay team of N. Sims, T. Sims, Russel Tripp, and Ernest Ballard won in an outstanding time of 1:38.7. Also winning firsts for Eastern were Ballard in the 100, at :10.7; Otho Green in the 880; Jim Hughes in the mile, 5:10.9; Lowell Story in the

Green of Shurtleff was high point man in the meet scoring 17 points in the field events. N. Sims, with 10 points, was high point man for Eastern.

Former track coach, Lewis Moore, acted as referee and starter for the meet.<sup>1</sup>

On May 4, Eastern lost their last dual meet of the year to Southern Illinois Normal School by a score of 84 to 47.

Ray Duncan, appearing in his first and only meet of the season was the high point man of the meet. He won the hundred in :10.3, the 220 in :23.3, and took seconds in the broad jump and high jump for Eastern. Nolan Sims won the hurdles again

"A noticeable flaw in the good sportsmanship of the Southerners was made more outstanding when they, after having the meet won, refused to run the half mile relay because they had no chance of taking it."<sup>1</sup>

Scheduled for Saturday, May 12, on Schahrer Field, was the first Teachers College Meet, involving the five state normal schools. Southern was rated as the pre-meet favorite, with State Normal also looking strong. Ray Duncan of E.I., after his spectacular appearance in the Southern dual meet withdrew

from school and lessened Eastern's chances. Northern Illinois of DeKalb also entered with their first track team in their school's history. Western Illinois of Macomb was not rated as being very strong.<sup>1</sup>

The meet came off as scheduled with State Normal proving the surprise victors; they scored 64  $\frac{2}{3}$  points to Southern's 49  $\frac{7}{12}$ , E.I.'s 33  $\frac{1}{6}$ , Western's 13  $\frac{7}{2}$ , and Northern's 9  $\frac{1}{2}$  points.

McCreight of Normal ran the 220 low hurdles in an outstanding :25.5; Croach of Normal won the mile in 4:38; Snider of Normal won the 100 in :10.1; and MacMahon of Normal took the 440 in :52.8.

Eastern took three firsts: Ruel Hall in the broad jump at 21 ft. 8 in., and pole vault at 11 ft.; and William Whitacre in the high jump at 5 ft. 9 in.

E.I.'s other points were secured by Lowell Story, fourth in the javelin; Robert Warren, third in the shot put; Nolan Sims, second in the high hurdles and third in the lows; John Miller, second in the 200 and fourth in the 100; Ernest Ballard, third in the 220; Harry Phipps, fourth in the high hurdles; Charles Elliot, and Paul Wilson, tied for fifth in the

On May 26 and 27, Eastern sent one of its largest contingents ever to the conference meet at Monmouth. Attending were Ernest Ballard, John Miller, Nolan Sims, Lowell Story, Russel Tripp, Robert Warren, and William Whitacre.

Knox College won the meet with 48 points. Next in order were: Bradley, 39; Monmouth, 37; Illinois College, 13 1/2; Illinois Normal, 12; Carthage, 12; North Central, 9; McKendree, 9; Millikin, 7 1/2; Eureka, 6; Illinois College, 6; Shurtleff, 5; Western Illinois, 4; Wesleyan, 1; and Wheaton, 1. Eastern failed to place a single man in any event.

New records were set in the high jump, 6 ft. 2 3/4 in.; the broad jump, 23 ft. 5 1/2 in.; the 440, :50 5/10; the javelin, 197 ft. 8 in.; and the high hurdles, :15.5.

McIntosh of Knox was the high point man with a total of 10 points.<sup>2</sup>

During this period track and field at Eastern still had to contend with many problems. This was evidenced by the fact

Prospects appeared a little better this year than they had in the past for Coach Beu's thinclads. Several men were back from the 1928 team including Nolan Sims, star of the hurdles, Ruel Hall, pole vaulter and broad jumper, and Tom Routledge, sprinter.

Promising looking new men were Harold Newlin and Robert Mattis in the distances, and Bernal Connett in the shot put.

The schedule for the year 1929 was as follows:

April 11, Southern Illinois, here

April 20, Rose Poly, at Terre Haute

April 27, Shurtleff, here

that although, football and basketball games played daily  
 during winter term, teams were not organized until winter  
 holidays. For many years the football and basketball seasons  
 were raised by the student council. A new regulation in foot-  
 ball and basketball the last year was a total of eight meet-  
 ings, but a break was made in the year.

1928

Students appeared in their winter dress during the  
 last in the year for the first time. Football, basketball and  
 baseball were the first sports played during the year of the  
 winter. The first game was played on the field, and the  
 football team, girls' basketball and boys' basketball, and the  
 baseball team.

Students during the year were given the first and last  
 words in the school, and during the year in the school year.  
 The schedule for the year 1928 was as follows:

April 11, Teachers' Dinner, here

April 10, Home Day, on Town Square

April 17, Sports Day, here

May 11, Teachers' Dinner, here

May 4, School Convocation, here

May 24, 25, State Meet, Galesburg

The first meet of the year was against Southern Illinois on Schahrer Field, April 11. The field was sloppy and wet and the track was a sea of mud, but this didn't prevent Southern from winning 70 1/2 to 56 1/2.

Ruel Hall was Eastern's star, winning the pole vault at 10 ft. 3 in. and the broad jump at 20 ft. 8 1/2 in. Other firsts by Eastern were by Robert Mattix in the 880, 2:23.7; by Bernal Connett in the shot put, 38 ft.; and by Harlan Baird and William Whitacre tying in the high jump at 5 ft. 4 in.

Depth was an obvious weakness as E.I. was only able to pick up seven second places and eight thirds. Winning E.I.'s places were: Tom Routledge, second, and Nolan Sims, third in the 100; Routledge, second and Stanley Wassem, third in the 220; Mattix, third in the 440; N. Sims, second in the high hurdles; Linden Porter, second in the mile; Virgil King, third in the two mile; Connett second in the discus; Ralph Cutill, third in the shot put; Harry Phipps tied for third in the high jump; and Leo Ray, third in the javelin.

Lewis Moore acted as starter and judge of the meet, with

On April 20, Eastern traveled to Terre Haute for a dual meet against Rose Poly and returned to Charleston as losers by a score of 79 to 50. Unfortunately no other results of the meet are available.

Shurtleff came to Charleston on April 27 to narrowly defeat the thinkclads by a score of 65  $\frac{3}{5}$  to 60  $\frac{2}{5}$ .

Bernal Connett of Eastern scored 15 points in the meet by winning the javelin with a great toss of 175 ft. 7 in., the shot put with a put of 39 ft. 3 in., and also the discus (no distance given). Never before had Eastern had such a star in the weights.

Other winning firsts for E.I. were N. Sims in the high hurdles, :16.9, and low hurdles, :27.5; Virgil King in the two mile, 11:21.3; Robert Mattix in the 880, with a good time of 2:07.3; and Ruel Hall and Charles Elliot tying in the pole vault at 10 ft. 6 in.

Other locals securing places were: Ruel Hall, second in the 100; Harry Phipps, third in the high hurdles; Linden Porter, second and Francis Ingram, third in the mile; Mattix third in the 440; Harlan Baird third in the low hurdles;

On May 4, after several years of waiting, Eastern track fans, all ten of them that day, finally witnessed a victory by the thinclads. E.I. smashed the visiting Indiana Normal team by a score of 74 to 49.

Bernal Connett again starred for the team, but due to rather poor weather conditions, was unable to get near his previous best efforts. Nevertheless, he won the shot put at 39 ft. 8 in., the javelin at 146 ft. 7 in., and the discus at 99 ft. 6 in.

Stanley Wassem also helped greatly by winning the 880 with a time of 2:12, placed second in the broad jump, and third in the 220.

Tom Routledge won both dashes, the 100 in :10.6, and the 220 in :24.0. Robert Mattix won the 440 in :56.2, and took second place in the half. Nolan Sims won the low hurdles with :28.8, and placed third in the highs. Ruel Hall won the pole vault at 10 ft. 6 in., and Harlan Baird tied for

Placing in the meet for Eastern were Nolan Sims, second in both hurdle races; Robert Mattix, second in the 440 and fifth in the 880; Tom Routledge second, in the 100 and third in the 220; Stanley Wassem, fourth in the 880; Linden Porter, fourth in the mile; Virgil King, fifth in the two mile; Harlan

In all, Eastern scored 33 1/2 points in the meet. Southern won the meet with 64 points to Normal's second place total of 43 1/2.

Several other records besides Connett's were set in the meet, there were: Hill of Normal in the 880, 2:04; Garrison of Western, in the mile, 4:34.2; Liftencutt of Normal in the two mile, 10:44.5; Bricker of Southern in the discus, 124 ft. 1 in.; Luce of Western in the javelin, 175 ft. 5 in.; Grigsby of Western in the pole vault, 11 ft. 6 in.; Ray of Southern in the broad jump, 22 ft. 9 1/2 in.; and Southern's mile relay team in 3:37.<sup>1</sup>

Eastern traveled to Galesburg to compete in the Little Nineteen meet on May 24 and 25. Although Bernal Connett, Nolan Sims, and Robert Mattix all attended, only Connett was able to place. His heave of 42 ft. 2 in. was good for second place in the shot put.<sup>2</sup>

Beginning to make news at this time, was talk of splitting the Little Nineteen Conference into two smaller conferences. With twenty-two schools in the conference, it was

Normal despite only eight points in the field events finished second with 64 points. E.I. made a creditable showing with 45 points, and Northern was last with 24 1/2 points.

Bernal Connett's outstanding performance won him the honor of high point man of the meet. He won the shot put at 42 ft. 1/2 in., the javelin at 171 ft. 5 in., and also placed second in the discus for a total of 14 points.

Nolan Sims won the high hurdles with :17.0, and finished second in the lows. Stanley Wassem took third in the high hurdles for Eastern's other top placers.

Northern was the only school team that failed to win a first place; both Southern and Normal had six apiece.<sup>1</sup>

Eastern traveled to Bradley to participate in the twelfth annual Liecele Nineteen Meet on May 23 and 24. Bernal Connett and Milton Baker were the only men to place for Eastern, scoring a total of three points on a fourth place finish by Baker in the two mile and Connett's fifth place in the discus.

Bradley's powerful team won with 38 points. Next in line were Lombard, 32; Knox, 23; Wheaton, Normal, and Illinois College, tied for fourth with 17 points.<sup>2</sup>

At this time, in order to win a letter in track, a man had to score a total of eleven points in competition. Men eligible for the award in 1930 were: Ernest Ballard, Milton Baker, Nolan Sims, Stanley Wasse, Bernal Connett, Fred Creamer, Frederik Foreman, Omer Elliot, Robert Mattix, and Charles Elliot.<sup>1</sup>

### 1931

In 1931 several of Eastern's traditional opponents dropped track as a varsity sport. Among these were Millikin and Rose Poly. Both Rose and Millikin had to drop scheduled meets with E.I. The reason behind these astounding events were reports made to the schools by the North Central Association, a college accrediting association. The association recommended that the schools develop more extensive intramural programs and realign the control of athletics. Obviously the report carried much weight because Millikin appeared likely to abandon baseball and football as well.<sup>2</sup>

Excellent new men were: Melvin Alexander, Lloyd Thudium, Thomas Cummings, and Donald Replogle.

Indiana Normal became the third victims of the "Panthers" on May 10, by a score of 75 to 51. This rounded out the best season the track team had since its inception in 1912. The "Panthers" thus finished their dual meet season with a 3-1 record.

Eastern won or tied for nine firsts in the meet, taking the 100 by Scott Funkhouser in :10.3; the 220 by Gene McCoy in :22.6; the 880 by Lloyd Thudium in 2:07; the mile by Robert Brewer in 5:07; the broad jump by Glenn Walker at 21 ft. 9 in.; the two mile by Harrison at 11:02; the discus by Emerson Petty at 113 ft. 2 in.; the 880 relay race by Funkhouser, Baker, McCoy and Seaton; and tying for first in the high jump by Melvin Alexander at 5 ft. 6 in.

Little information is available on Eastern's participation in the Teachers College Meet or the Conference Meet. The records do seem to indicate though that E.I. did not participate in the 1932 T.C. Meet.

After leading Eastern through this fine track season, Mr. Beu left for the University of Chicago to continue work on doctorate in education. He returned to Eastern for the 1933-34 school year.<sup>2</sup>

### Summary

Coach Frank Beu ended his tenure as track coach with a six wins, fifteen losses, dual meet record. While Beu was able to develop individual stars, men like Bernal Connett, Nolan Sims, William Dugas, and Scott Funkhouser, he was continually plagued by a lack of depth. Beu's most successful year was his last, 1932, when the squad posted a 3-1 dual meet record. His worst were in 1928 and 1930, when the team had records of 0-4.

Upon Mr. Beu's return to Eastern He became coach of the golf team, a post he retained for several years.

## CHAPTER IV

### THE ERA OF WINFIELD SCOTT ANGUS

This chapter concerns itself with the coaching era of Winfield Scott Angus. Angus was head track and field coach at Eastern from 1933 through 1942, the year 1942, however will be covered in the next chapter dealing with the war years.

#### 1933

In 1933 Winfield Scott Angus became coach of the track and field squad. Coach Angus was known as quite an outstanding track man in his own day. In 1916, while a high school student in Newark, New Jersey, he won the National Interscholastic 440 yard dash title. In 1919, just after the war, he participated on the U.S. Army relay team which won the Chateau-Thierry to Paris cross-country race in the Inter-Allied Games. He also participated in football and basketball while in the army.

Angus's professional background included bachelor's and master's degrees from the University of Illinois, playground director at Rockford, Illinois, and director of physical education and coach at University High School, in

### THE EARLY YEARS OF WINTHROP

This chapter contains a brief history of the Wintthrop family in England from 1500 to 1600. It also contains a list of the names of the members of the family who were in England at the time of the discovery of America in 1492. Urbana, Illinois. He came to Eastern in 1932 as director of physical education and coach.<sup>1</sup>

Angus was known as a fiery leader, who loved to win, disliked the idler, was impatient and highstrung, and talked the clipped language of an army officer.<sup>2</sup>

Coach Angus greeted ten returning letterman that Spring, including Scott Funkhouser, who became President of his Class and of the Varsity Club in 1934, Milton Baker, Melvin Alexander, Gene McCoy, William Poorman, Thomas Cummins,, James Harrison, Donald Replegle, Glen Titus, and John Wyeth, who was sports editor of the school newspaper and co-editor of the school yearbook.<sup>3</sup>

The season's outlook would have appeared quite bright for the following meets if it hadn't been for the deplorable lack of field men.

On May 12, Southern won the sixth annual Teachers College Meet for the fourth consecutive time. The team places were: Southern, first with 95 1/2 points, Normal, 82, Western 20 1/2, Northern, 16, and Eastern, 6.

Eastern's only placers were John Ferbrache, third in the two mile, Edwin Galbreath, fourth in the same event, and Dawn Neil, fifth in the javelin.

Jimmy Johnson of Normal was the meets outstanding athlete, as he won the 100 and 440 in records of :09.6 and :51.3, he also won the 220 in a time of :21.9.

A standard method of penalizing false starts, by setting the offender back a number of yards was utilized in the meet. Charles Austin jumped the gun twice in a preliminary heat and was set back two yards. He was unable to overcome this penalty in the race.<sup>1</sup>

In the 25th. annual Little Nineteen Meet at Galesburg, Normal was victorious with a total of 42 points. Southern

The 1934 season began on a tragic note, Herschel Petty, sophomore trackman was accidentally shot to death on Marcy 6 by county officials who mistook his car for that of two alleged firebugs. Attending the funeral were president of the college, Robert G. Buzzard and many of the college students.<sup>2</sup>

Veteran candidates for Coach "Scotty" Angus's squad were: Charles Austin, high point scorer of the '33 team, Milton Baker, Elbert Dawson, Thomas Cummins, Willard Witte, and Don Neal.

The results of the present study are in line with those of previous research which have shown that the use of a second language in the classroom can lead to a variety of benefits for the learner. These include the development of fluency and automaticity in the use of the language, as well as the acquisition of a wider range of vocabulary and grammatical structures. Furthermore, the use of a second language in the classroom can also lead to the development of a more positive attitude towards the language and a greater motivation to learn.

The present study was designed to investigate the effects of the use of a second language in the classroom on the development of fluency and automaticity in the use of the language. The study was conducted in a secondary school in the United Kingdom and involved 100 pupils aged 11-12 years. The pupils were divided into two groups: an experimental group and a control group. The experimental group used a second language in the classroom for a period of six weeks, while the control group used only the first language.

The results of the study showed that the experimental group made significantly greater progress than the control group in the development of fluency and automaticity in the use of the language. This was measured using a variety of tests, including a dictation test, a comprehension test, and a production test. The experimental group also showed a more positive attitude towards the language and a greater motivation to learn.

The findings of the present study have important implications for the practice of second language teaching in the classroom. They suggest that the use of a second language in the classroom can be an effective way of promoting the development of fluency and automaticity in the use of the language. This should be encouraged by teachers and school administrators.

In addition, Bernard Bradley took a second in the pole vault, Frank Broyles won seconds in the mile and two mile, Scott Funkhouser took third in the 100, Milton Baker took third in the 220 and second in the 440, and Lloyd Thudium took third in the 880 to end Eastern's scoring in the meet.<sup>1</sup>

Eastern showed signs of a reversal of form in a triangular meet at Lebanon. Southern won the meet with 104 1/2 points, Eastern was next with 34, and McKendree was last with 23 1/2.

On the way to the meet a car driven by Jim Evers turned over south of Neoga and six men were injured when thrown through the roof. Slightly injured were Lloyd Thudium, Joe Henderson, Bernard Bradley, Harry Sockler, and Vincent Kelly. Only Kelly was unable to compete in the meet.

Willard Witte won a first in the mile at 4:47.9. Frank Broyles took first in the two mile at 10:45.2, and Milton Baker won the 440 in :53.5 to account for E.I.'s three firsts.

Also scoring for Eastern were: Charles Austin, third in the 100, and fourth in the 220; Scott Funkhouser, second in

 took third in the 800 of our Eastern's meeting in the year

 angular meet at Lebanon. Heiborn was the next with his 100

On the way to the meet a car driven by Jim Davis passed  
 over south of Bangs and six men were injured who crossed  
 through the road. Slightly injured were Lloyd Tomlinson, Joe

 Only Kelly was unable to move in the meet.

While there was a first in the mile at 4:07.5. Frank

Illinois Normal unleashed a powerful attack to unseat defending champion Southern Illinois in the Teachers College Meet by a score of 83 to 68 3/4. Other scores were Northern 33 1/2, Western 24 3/4, and Eastern 9.

Eastern's placers were: Scott Funkhouser, fifth in the low hurdles; Lloyd Thudium, fifth in the 880; Milton Baker fifth in the 440; Willard Witte, fourth in the mile; Frank Broyles, third in the two mile; and the mile relay team of Baker, Harry Sockler, Vincent Kelly, and Charles Austin, third.

Eastern matched its track power against Indiana State's power in the field and won 78 1/3 to 52 2/3. E.I. scored slams in three events, the two mile run, the low hurdles, and

Willard Witte proved how much an ironman he was by placing in the three long events. He took first in the mile in 4:49.5, second in the 880, and third in the two mile.

Milton Baker registered one of Eastern's best marks by winning the 440 in 52.8, Frank Broyles won the two mile in 10:55, Lloyd Thudium won the 880 in 2:14.1, Scott Funkhouser took the low hurdles in :27.6, Bernard Bradley won the pole vault at a very good 11 ft. 9 in., and the relay team of Harry Sockler, Milton Baker, Vincent Kelly, and Charles Austin, won the 880 event in 1:36.7.

Other placers who gathered points for Eastern were: Edwin Galbreath, second in the two mile; Don Neal second in the low hurdles and third in the highs; Vincent Kelly, third in the low hurdles and second in the 440; Baker, second in the 220; C. Austin, second in the 100; Sockler, third in the 440; Floyd Davis, second in the broad jump and third in the shot put; Gaddis, second in the javelin, William Hardy, third in the javelin; and Joe Henderson, tied for second in the high jump.

E. I. swept three events, the 440, the mile, and the two mile, but failed to score in the discus.<sup>1</sup>

Hard luck again struck the '34 team when Willard Witte unsuspectingly ended his college athletic career in the Indiana State meet. Witte was ordered to stop running when doctors discovered he had an affected heart resulting from infected tonsils. Witte ended his promising career as the high point man of the locals as well as having ran some of Eastern's fastest mile times up to that year.<sup>2</sup>

Against McKendree College on May 19, the E.I. trackman grabbed their second victory in five days by a score of 74 to 56. Eastern slammed the 440 and high jump, but only scored three points in the weights.

Eastern scored as follows in these events; the 100, Charles Austin second, and Scott Funkhouser third; the 440, Milton Baker first in :53.3, Vincent Kelly, second, and Harry Sockler third; the 880, Lloyd Thudium first in 2:13, and Jim Evers second; the mile, Frank Broyles second and Edwin Galbreath third; the two mile, Broyles first in 10:29, and Galbreath third; the low hurdles, Funkhouser first in :27.0,

and Don Neal third; the high hurdles, Neal third; the 880 relay, Sockler, C. Austin, Kelly, and Baker, first in 1:35.7; the broad jump, Loren Fox first with 19 ft. 11 1/2 in.; the high jump, Neal first at 5 ft. 9 in., Joe Henderson, second and Melvin Alexander third; and the pole vault, Bernard Bradley first at 10 ft., and Alexander tied for the number two position.<sup>1</sup>

Because of the promising results of the McKendree meet, Coach Angus expected to take several men to the State Meet, but Frank Broyles was the only member of the E.I. team to place in the 26th annual Little Nineteen Meet at Monmouth. Broyles took a fifth place in the two mile run.

The mile relay team of Charles Austin, Harry Sockler, Vincent Kelly, and Milton Baker, took a sixth place in a time of 3.32.7.

North Central College won the meet with 34 8/10 points. Knox was next with 22 1/2.<sup>2</sup>

Eastern's high point man for the season was Frank Broyles with 31 points, followed closely by Milton Baker with 29 1/4.<sup>3</sup>

1935

Once again the lack of field men appeared to be Coach Angus's biggest problem as the 1935 season got underway. Back from the '34 team were Don Neal, Melvin Alexander, Joe Henderson, Vincent Kelly, Thomas Cummins, Charles Austin, and Captain Lloyd Thudium. There was not one weight man among them.

The schedule for the year was as follows:

April 6, Western Illinois, here

April 27, Southern Illinois, here

May 3, Illinois Normal, here

May 11, Teachers College Meet, at Normal

May 15, Indiana State, at Terre Haute

May 18, McKendree, here

May 24-25, State Meet, at Macomb

The thinclads ushered in the season with an 83 1/2 to 47 2/3 loss at the hands of Northern Illinois. DeKalb had eleven firsts out of fifteen events. As expected E.I. was weak in the weight events winning only 5 of 22 points.

Robert Holmes was the top man for E.I., taking a first in the high jump at 5 ft. 6 in., and seconds in the javelin and pole vault. Harold Younger took a first in the low hurdles

Some again the list of fields was reported to be  
 Agent's almost complete as the 1911 season the industry  
 Bank from the '21 case with the West, being Alexander, Joe  
 Henderson, Vincent Kelly, Thomas Cannon, Charles Austin,  
 and Captain David Johnson. There was not one weight was  
 among them.

The schedule for the year was as follows:

May 1, Illinois, Iowa, Iowa

May 11, Teachers College, Iowa, in Iowa

May 13, Indiana State, in Iowa State

May 16, Windsor, Iowa

May 16-22, Great West, in Iowa

The schedule attached to the calendar with an 11 1/2 to  
 2 1/2 days at the basis of Western Illinois, which had  
 almost lined out of Illinois events. An expected E.I. was  
 weak in the weight events starting with 2 on 11 points.

Robert Wilson was the top man for E.I. taking a first  
 in the high jump at 7 ft. 6 in., and jumping in the javelin  
 and pole vault. Harold Younger took a first in the low hurdles

at :28.9, as did Marvin Upton in the mile at 4:51.2, and Don Neal in the high hurdles at :17.0.

Others placing for Eastern were: Vincent Kelly, second in the 440 and third in the 220; Joe Henderson, second in the low hurdles and tied for third in the high jump; Thomas Cummins, second in the 880; Upton, third in the 880; Robert Anderson, second in the two mile; Neal, third in the low hurdles and tied for third in the high jump; Floyd Davis, third in the shot put; Dale Trulock, second in the discus; and Loren Fox, second in the broad jump.<sup>1</sup>

In the next meet, Southern Illinois blasted E.I. 96 to 35, taking 11 of 15 firsts and winning 4 slams. E.I.'s mile relay team of Vincent Kelly, Don Neal, Loren Fox, and Thomas Cummins, was victorious when S.I. was disqualified for fouling on one of the turns.

Eastern's firsts were collected by Martin Upton in the mile in a good time of 4:44; Robert Anderson in the two mile in 10:45; and Robert Holmes in the high jump at 5 ft. 8 in.

Other events that Eastern scored in were: the 100 and 220, Charles Austin, third; the 440, Kelly third; the mile,

The thinclads in scoring 21 points turned in their best performance in several years. No records were broken in the meet mainly because of a strong wind and a soft track.

The Panthers scored in the following manner; the 440, Vincent Kelly, fifth; the 880, Thomas Cummins, fourth; the mile, Marvin Upton, fourth, running 4:40; the high jump, Joe Henderson, Robert Holmes, and two others, tied for first at 5 ft. 9 in.; the two mile, Bob Anderson, second in a time of 10:31; the javelin, Holmes, fourth; and the realy team of Kelly, Charles Austin, Loren Fox, and Cummins, fourth.<sup>1</sup>

The Angusmen finally won their first meet of the year by defeating Indiana State, 77 to 53, scoring slams in the javelin and 880.

Marvin Upton and Bob Holmes scored 13 points apiece to lead all the locals. Upton won the mile in 4:46.3, the 880 in 2:08, and placed second in the two mile. Holmes won the javelin at 165 ft. 1/4 in., took second in the discus and pole vault, and tied for second in the high jump.

An amusing episode concerning the previous meet and Leroy Brown of Eastern was related as follows:

Leroy Brown really trains for the two mile run. Last Friday Leroy was at the DeKalb track meet as a member of the team. Friday night after dinner he had a rubdown and went right to bed. At four o'clock Saturday morning he was up, running up and down the hall in the hotel practicing starts and short sprints. After this violent exercise he took exercise over the end of the bed. Following the bed exercise, Leroy had a rubdown and breakfast; another rubdown followed breakfast. Before lunch another rubdown was in order. Just before the run started he grabbed the liniment bottle, slapped some of the fire-liquid on his legs, pranced around, and was off to a flying start.

He lasted two laps; his legs were so tight he could hardly move. He needed another rubdown.<sup>2</sup>

and Frank Broyles. The last four men were all accomplished distance men as they had proven in cross-country. The main problem so far was the lack of dash men.

Oakland City College originally scheduled E.I. April 9, but later cancelled. The year's schedule appeared as follows:

- April 16, Southern Illinois, here
- April 23, Normal, here
- April 29, Northern Illinois, at DeKalb
- May 8, Teachers College Meet, at Normal
- May 21, State Meet, at Mornmouth

Indiana State had also scheduled E.I., for a May 6 meet, there, but was forced to cancel all track meets because of a lack of space to work out due to a building program.<sup>1</sup>

Featuring slams in four events Southern Illinois ran away from the "Panthers" 91 to 40. Eastern managed two slams of their own, both in the distance events. John Dayton won the mile at 4:50.3, with Jack Zahnle and Frank Broyles finishing second and third. In the two mile, Bob Anderson won in 10:30.6, with Broyles second again, and Earl Anderson third.

Eastern had only one other first, that in the high hurdles, by Charles Ridey in 16.5. Ridey also took a third in

Bradley, Illinois Wesleyan, Illinois College, North Central, Lake Forest, Millikin, Augustana, and Wheaton, resigned. These schools enforced the freshman rule. All eight of them formed a new conference. The I.I.A.C. was now left with a total of 13 schools.<sup>1</sup>

### 1938

For the first time, in 1938, Eastern entered and ran in two indoor meets prior to the outdoor track season. The two meets entered were University of Illinois Invitational Meet on March 5, and the Butler Relays on March 19, at Indianapolis.

Coach Angus entered teams in the mile, two mile, and distance medley relays. The best performance was by the distance medley team of Jim Stahl, Max Armer, Earl and Bob Anderson, which took a fifth place in the Butler Relays.<sup>2</sup>

The outdoor track schedule for the year was as follows:

In the first meet of the season, the "Panthers" lost to Southern by 51 points, 91 to 40. E.I. showed extreme weakness in the field events scoring a total of only 7 points in the 7 field events, and also exhibited an allround lack of depth.

The only bright spots for the locals were in the distance races and 220 yd. dash. Bob Anderson won the mile in a good time of 4:45.2. His brother Earl was second. Bob also came back to win the two mile in 10:22.1, with Earl second again.

In the 220, George Howell won in a slow time of :24.7, with Harley Culberson second. E.I. took only two other firsts, one by Max Armer in the 880, in 2:10.4, and the other by Dale Trulock in the javelin, with a toss of 163 ft. 10 in.

Eastern's few other points were scored by Jim Stahl, second in the 440; Harley Culberson, third in the low hurdles;

and Dale Haverstock, third in the discus.<sup>1</sup>

In the second meet of the season, E.I. lost to Normal by an almost identical score to the first meet, 90 1/2 to 40 1/2. Bob Anderson again won the mile and two miles in very fast times of 4:37 in the mile, and 10:10 in the two mile. This was the fastest time ever reported for Bob in the mile. His brother Earl was not able to place in either event.

Eastern's only other firsts were by Harold Younger in the low hurdles in :25.8; and by Dale Haverstock in the javelin with 160 ft. 9 in.

Points for Eastern were also scored by: Joe Ward, who took seconds in the high and low hurdles, and tied for third in the high jump; Max Armer, second in the 880 and third in the 440; Younger, second in the 100; Jim Stahl, second and George Howell, third in the 220; Jack Newgent, third in the pole vault; Haverstock, third in the discus; and George Howell, third in the broad jump.<sup>2</sup>

the first time that season, and finished second. He did win the two mile though in 10:15 1/2. His brother Earl took a second in the two mile and a third in the mile.

Eastern faired a little better in the other events than previously as Joe Ward won the high hurdles in :16.1; Harold Younger the low hurdles in :26.3; and Jim Stahl the 220 in :23.5. Stahl also took a third in the 440.

Max Armer took a second in the 440 and 880. Dalee Haverstock took second in the javelin. Harold Younger was third in the 100. Dale Trulock was third in the shot put and discus. Jack Newgent was third in the pole vault, and Ward tied for second in the high jump to account for the remainder of Eastern's points.

Bechel of Northern, who later won the Teachers College and I.I.A.C. titles, won the high jump with a fantastic leap of 6 ft. 6 in.<sup>1</sup>

At Normal, in the Teachers College Meet, E.I. scored 25 points, but was edged by Western for fourth place with 27 1/2 points. Southern won the title again with 67 points, next were Northern with 52, and Normal with 47 1/2.

Bob Anderson regained his title in the two mile run in a time of 10:04 6/10. Earl Anderson was second. Bob also took a second in the mile run.

Dale Haverstock won a third in the javelin; Harold Younger won a third in the low hurdles; Joe Ward took a fourth in the high hurdles; Max Armer also took a fourth in the 880; and Jim Stahl secured a fourth in the 440.

Eastern had the smallest team at the meet, entering only nine men.<sup>1</sup>

Eastern finally won a dual meet when they defeated Indiana Central Normal, 75 1/3 to 55 2/3. Bob Anderson lead a sweep of the mile and two mile runs in the best times he ever recorded. His times' of 9:48.5 in the two mile, and 4:35 in the mile, has to rank him as one of Eastern's all-time great trackmen.

To complete the sweeps in the distance runs, Earl Anderson took a second in the two mile ahead of George Cortelyou, and tied for second in the mile with Max Armer.

Other Eastern firsts were by: Joe Ward in the high hurdles at :16.2; Harold Younger in the 100 at :10.3; and

Bob Anderson accumulated many honors during his tenure as E.I.'s top attraction in track. Bob was elected to the presidency of the 1938 senior class, and also received the Charleston Boosters' Club Sportsmanship Award, presented to one E.I. athlete each year.

Bob was also honored by Coach Angus, who awarded him his track shirt, number 8, track pants, and shoes; a symbolic award of great meaning.<sup>2</sup>

Jim Stahl also won many honors. During the year he was elected to the Presidency of the Varsity Club, and also of Fidelis, a local fraternity.<sup>3</sup>

#### 1940

A new innovation was added for the safety of the track participants by Coach Angus in 1940,.."For the first time in track at Eastern, participants must pass a physical exam before equipment would be issued to them."<sup>2</sup>

The schedule for the year was not much different than previous years except for a change in the traditional Teachers College Meet. The meet was expanded to include teachers colleges from Missouri and Kentucky, and the name of the meet was changed to the Midwestern States Teachers College Track and Field Meet.<sup>3</sup> The schedule for 1940 was:

April 13, Southern Illinois, at Carbondale

April 20, Illinois Normal, at Normal

April 27, Indiana State, at Terre Haute

May 16, Indiana Central, here

May 18, Midwestern Meet, at Carbondale

Finishing behind Eastern were Murray of Kentucky, with 1 point, and Western Kentucky, with none.

Placing for the thinclads were: Earl Anderson, third in the two mile, and fifth in the mile; Maurice Cutler, fourth, and Lewellen Wilson, fifth in the mile; Joe Bressler, third in the shot put, and fifth in the javelin; and E.I.'s mile relay team, fourth.

In the 32nd. I.I.A.C. meet, Normal edged Northern Illinois for the title, 58 1/3 to 58. Only seven teams competed, and their order behind Normal and Northern was: Southern, 50 5/6; Western, 30 1/3; Eastern, 15.

Eastern's points came on two firsts, Joe Bressler's double wins in the shot put with 42 ft. 7 1/2 in., and

discus with 125 ft. 4 1/2 in.; a third place by Earl Anderson, and a fourth by Levellen Wilson, in the two mile.

Normal's one armed sprinter, J. Hardgrove, won the 100 in :10.0, and also took a second in the 220.

High point man for the year was Joe Bressler with 61 points, followed by Robert Hedrich with 27 1/3, and Earl Anderson with 23.<sup>2</sup>

### 1941

Prospects appeared very poor for the 1941 team. On hand for Coach Scotty Angus was his second smallest team, only 22 men appeared to claim track suits.

Eastern scheduled Western Illinois for the first time in a dual meet, and also Culver Military Academy, of Culver, Indiana. Dropped this year was the annual Teachers College Meet. The full schedule for the year is listed below:

#### 1942

In Winfield Scott Angus's next to last year as head track coach, the prospects again appeared dim as another small team reported for track practice. Gone were Joe Bressler, top discus thrower and shot putter for the previous four years, Ray Suddarth, and Joe Ward.

The schedule for 1942 was unchanged from the previous year, except for Millikin replacing Culver Military on the card.

### Summary

Although Coach Winfield Angus coached one more year at Eastern, the writer felt that due to war conditions affecting Eastern at the time, that this year should be included in a separate chapter.

Angus had his fat and lean years, many times he was hindered by small teams. His best year was in 1939, when Eastern registered a 3 and 2 record. His worse years were in 1937, 1941, and 1942, when Eastern failed to win a meet.

Angus should also be remembered as a developer of fine individual stars, especially in the distance runs. Among the fine distance men that he coached were Willard Witte, Bob Anderson, and John Dayton. He also coached many fine men in the field and weight events, among these were Bob Holmes, Joe Bressler, and Russell Pierson.

## CHAPTER V

### THE WAR YEARS

During the period of World War II there was only a slightly organized track and field program at Eastern. Although pick-up teams did compete in the conference meets, only one dual meet was entered in the period 1943 - 1945. During this era Coach Charles Lantz, Coach Winfield Angus, and Coach Pim Goff, all worked in coaching the Eastern track teams. In 1946, Eastern resumed regular varsity track under Pim Goff.

#### 1943

In 1943 no dual meets were scheduled, but two men did compete in the I.I.A.C. conference meet. They were Robert Seaman, who placed third in the two mile and fifth in the mile; and Irving Burtt, who took a fourth in the discus and a fifth in the shot put. These two men were recommended for letters by Coach Angus as was customary for men who had placed in the conference meet.<sup>1</sup>

After the 1943 school year, Mr. Angus was granted a leave

The war and post-war years cannot be considered a loss. Despite the problem of a lack of male students, Eastern was very prominent in the meets they competed in.

Several stars arose during this era, men like Lyle Knott, Neal Hudson, and LeeRoy LaRose. Many of these men would go on to reach further stardom in the next era of track and field at Eastern.

For the first time in "Panther" history, Eastern beat Southern Illinois in a dual meet. A victory in the mile relay was the deciding factor in the 67 to 64 squeaker. Two school records were set, one by Howard Siegel who eclipsed Don Johnson's 1949 record of :22.4 by :0.2 of a second, and Jack Howell bettered a school record in the broad jump, jumping 22 ft. 2 in. even though he finished second. The old record was by Neal Hudson, 21 ft. 11 1/2 in., set in 1948.

Other Eastern men gaining firsts were: Ted Ellis in the high jump at 6 ft. 1/2 in.; Frank Knox in the shot put with 43 ft. 3 1/2 in.; Jim Johnson in the 440 in :52.3; Allan Rodgers in the high hurdles in :16.4; Glenn Curtis in the 880 in 2:03.5; Tom Hartley in the discus with 121 ft. 11 in.; Carl Shew, just over a foot shy of a school record in the javelin,

Jack Howell broad jumped 23 ft. 1 in., 11 in. farther than his previous mark, and Cliff Nugent, Ted Ellis, Glenn Curtis, and Jim Johnson ran the mile relay in 3:29.5, :02 better than the 1948 record.

The record demolishing machine of Coach O'Brien's continued to roll in a 78 2/3 to 52 1/3 win over Chanute Field. Glenn Curtis won the 880 in 2:00.5 to break his own record, and Howard Siegel ran the 100 in :10.0, breaking the 1936 record of Charles Austin of :10.2.

Chanute was not without stars of their own. Charles Burghardt won the high hurdles in :14.7, and the lows in :24.3, and Chaney won the 440 in :49.3, and 220 in :21.4.

Eastern hoping to upset Michigan Normal, utilized a baseball player by the name of Ed Soergal in the javelin. Soergal did his job well and won with a toss of 168 ft. 7 3/8 in., 1 1/4 in. just farther than Bob Eudeikis of Normal, who later became assistant track coach at Eastern. This did not help though as Michigan Normal scored 68 2/3 points to Eastern's 45 2/3 to win its second consecutive title.

### Summary

Maynard O'Brien's early era as head track and field coach has to be considered as one of the most successful eras in Eastern track history. During the years 1947-51, the Panthers defeated 24 schools and lost to but 10 in regular season competition. In 1940 and 1951 Eastern beat 12 schools and lost to only 3. In addition, Eastern never finished lower than fourth in the I.I.A.C. took third twice, and finished second in 1951.

School records that previously stood for years were under constant attack during this era. Among those greats who participated in the assaults were LeeRoy LaRose, Neal Hudson, Vern Wagner, Don Gratteau, Jack Howell, Fred Crawford, Glenn Curtis, Howard Siegel, Jack Sims, Jim Johnson, and Ted Ellis,

#### Summary

National O'Brien's early war as head study and field  
 coach has to be considered as one of the most successful war  
 in American Army history. During the years 1917-1918, the stu-  
 dent selected 20 students and took them to the regular war  
 and competition. In 1918 and 1921 he was head of the school and  
 took to only 10 in addition. Lessons were followed more  
 time found in the U.S.A. and other places, and he had  
 served in 1921.

School records show generally good progress and in  
 the course which develop this year. Among those names who  
 participated in the activities were: Joseph P. Kelly, Frank  
 Van Hatten, Dan O'Connell, Jack Howell, and O'Connell, O'Connell,

Few veterans were out for the team in 1952, mainly because many had been called into service, and a few had graduated. Still several proven performers such as Jack Sime, Ed Soergal, Herb Wills, Howard Siegel, Jack Farris, Roger Dettro, Ted Ellis, and Fred Crawford, were out for the team.<sup>1</sup>

The outdoor schedule for the year appeared as follows:

April 8, Millikin and Harris T.C., at Decatur

May 9, Southern Illinois, here

May 17, Western Illinois, at Macomb

May 24, I.I.A.C., at Ypsilanti, Mich.

Under Lewis, Eastern beat six schools and lost to one in regular season competition. Although the fifth place I.I.A.C. finish was a disappointment, little fault can be found with Lewis's direction that year.

The season the 1911 was similar. Lewis's coaching of the team was generally deemed to be successful. The record showed 14 wins, 10 losses, and 1 tie. The following coaches followed Lewis at this time: 1911-1912, 1912-1913, 1913-1914, 1914-1915, and 1915-1916. The 1915-1916 season was the last year of his coaching career. The season was the most successful in his career by a high school team. His coaching time in the state was 1911-1916, and Lewis, the Eastern Coach.

## CHAPTER VIII

### THE LATER ERA OF MAYNARD "PAT" O'BRIEN

Maynard "Pat" O'Brien returned to Eastern in the fall of 1952, and resumed his duties as head football, wrestling, and track coach. This chapter concerns itself with the later era of O'Brien's track coaching career and extends from 1953 to 1966.

#### 1953

The outlook for 1953 was variable. Several key members of the team had graduated, dropped, or were drafted. Still around thirty-five men were out, including Charles Matheny. Matheny of Paris was the 1951 state high school cross-country champion and state mile champ. His time of 10:21 on the two mile cross-country course was the second best time in the nation by a high school boy. His winning time in the mile was 4:31.7, just below the Eastern record.<sup>1</sup>

The schedule for the year was as follows:

April 23, Illinois Normal, here

## THE LATER PART OF THE "MILITARY" PERIOD

Raymond "Ray" O'Brien returned to London in the fall of 1922, and resumed his duties as head basketball, wrestling, and track coach. This chapter concerns itself with the later part of O'Brien's track coaching career and extends from 1922 to 1926.

1922

The season for 1922 was excellent. Several big meets of the team had produced, though, as was detailed, little ground thirty-five and more had, including Charles Conroy, Marbury of Paris and the 1000 from high school cross-country champion and state mile champion. His time of 10:12 on the two mile cross-country course was the second best time in the state by a high school boy. His winning time in the mile was

6:21.7, just below the national record.

The schedule for the year was as follows:

In a dual meet against Southern Illinois, Eastern almost won the meet, losing 67 to 64. It was though, a moral victory as Eastern was hampered by many injuries to men such as Rawlan Lillard, Jim Fox, John VanVoorhis, and Tom Clark. Coach O'Brien verbally expressed his pride in the team for such a gallant showing by saying, "I'm real proud of them."<sup>2</sup>

Marv Honn was Eastern's star as he won the 880 in 1:57.4, and the mile in 4:23.9. Also starring was Bill Miller who tossed the javelin 199 ft. 6 1/2 in. to win.

### 1965

The 1965 team stacked up as a potential powerhouse.

Reporting on the thoroughly veteran team were nineteen lettermen, conference champs in three events, and one All-American. Conference champs were Ed Nilsen in the pole vault, Ron Rentfro in the 100, and Art Steele in the broad jump. Steele was also an NAIA All American.<sup>3</sup>

The conference had adopted a freshman rule starting in 1964-65, and this necessitated the formation of a freshman or non-varsity team. No longer would freshmen be eligible for varsity competition. Since this paper is concerned with varsity track and field, non-varsity competition will not be covered

### 1953

The 1953 team reached up to a potential powerhouse.  
 According to the Chicago Herald (and many other papers) Twardz  
 was, nonetheless, down to three errors, and was All-American.  
 Twardz was named MVP in the NAIA tournament. The team  
 was in the 1953, and Art Stiles in the first year. Stiles was  
 also an NAIA All-American.<sup>2</sup>

The conference had adopted a leadership role starting in  
 1950-51, and this necessitated the formation of a program in  
 two-year cases. No longer would freshmen be eligible for

The second dual meet victory of the year was an especially pleasurable 85 to 60 beating of Northern Illinois. The pleasure of beating Northern, the writer recalls, stems from the point that at the time, Northern was planning to upgrade their athletic program with increased grant-in-aids. Which also meant their eventual withdrawal from the IIAC. So beating Northern while they were in the process of upgrading athletics was especially gratifying.

Eastern set two new school records on the "Huskies" new all-weather track, one in an event that Eastern never had ran before, the 440 yd. intermediate hurdles. Bill Anderson set

Ron Rentfro pulled a muscle after taking second in the fastest prelim heat in the 100 and was unable to compete further. Ed Nilsen did not place.<sup>2</sup>

Captain, most valuable athlete, conference champion, and All-American, Art Steele again led the team in regular season scoring with 101 points, a new school record. Steele, without a doubt, was Eastern's most outstanding track man. "He's our outstanding track man since I've been here," said O'Brien. Not only could he perform the long jump, triple-jump, and high

Eastern's coach, Dr. Maynard O'Brien, received a high honor in 1965. He was elected to the NAIA Track and Field Hall of Fame in June. O'Brien was honored for his meritorious service in the development of NAIA track and cross-country program as well as for his coaching progress.<sup>2</sup>

Another important item that occurred in 1965 was Northern Illinois's withdrawal from the conference, effective at the end of the spring 1966 season. The conference would then be at an all-time low of only four member schools, Central Michigan, Eastern Illinois, Western Illinois, and Illinois State.<sup>3</sup>

A small team reported for track in 1966, but among the approximately twenty-five men out were thirteen lettermen. Actually, the team was deceptively small, because in addition to the varsity team, there were over twenty men out for the non-varsity team.

Placing for Eastern were: the 440 relay team, second; Ron Rentfro, second in the 100, and third in the 220; John Schneider, second in the mile in 4:18.2, and third in the two mile in 9:27.1; Roger Quinlan, third in the mile in 4:19.4, and fourth in the two mile in 9:29.3; Jim Morris, fourth in the low

The Illinois State meet was once again rained out, and was cancelled because of lack of time for a reschedulement. <sup>2</sup>

In the 58th. annual IIAC meet, Eastern finished a disappointing, third. The main problem was a lack of men advancing from the qualifying heats and into the finals. The final scores were: Central Michigan 90, Northern Illinois 61 1/2, Eastern Illinois 39, Illinois State 34 1/2, and Western Illinois 30.

This was the last time that Northern would be competing in the IIAC meet.

Elected captain for the 1967 season was Jim Morris, 440 record holder, and a member of the mile relay record holding team.

### Summary

The later era of Maynard "Pat" O'Brien's tenure as track coach could truly be considered the Golden Era of track and field at Eastern. During the period from 1953 through 1966, Eastern won 57 dual meets and lost only 17. Only one season, 1962, was a losing record posted, For two years, 1955 and 1956, Eastern was undefeated.

During this period Eastern won the State College Meet five times, 1955, 56, 57, 63, and 65. Twice, 1964 and 1966, Western won the Elmhurst Invitational Meet. In 1964 E.I. also equaled its best finish ever in the IIAC, second.

Individual stars were also common during this period. Athletes such as Jack Sims, Ted Ellis, Chuck Matheny, Fred Crawford, Winnie Brown, Ray White, Ed Soergal, Rawlan Lillard, Ray Fisher, Dave Fields, Marv Honn, Ben Ward, Jerry Grandone, Bill Miller, Ed Nilsen, Roger Quinlan, John Schneider, Art Steele, and Ray Rentfro, all set and held either school and conference records during this era. Ray White became the only NAIA champion during the period, and Art Steele became Eastern's first NAIA Track All-American.

O'Brien's contributions to track and field were not only limited to Eastern Illinois alone, as can be evidenced by his selection to the NAIA Hall of Fame. His strong personality will be remembered not only as a positive influence on the Eastern Illinois track program and the NAIA track program, but also on the character of all those who had the privilege of being under his tutorage.

During the period covered by the State College Year  
book, 1955, 56, 57, 58, and 59, 1955 and

1956, 1957 and 1958, the following individuals were  
elected to the Board of Trustees of the IAC, 1955.

Individuals elected were also chosen during this period.

Individuals elected were: Jack Ross, Vice President, Year

1955-56, William Brown, Day Officer, 1955-56, Edwin C. Ward,

Day Officer, 1956-57, Harry Wood, Day Officer, 1957-58, and

Bill Miller, Ed Wilson, Edgar Collins, Don Johnson, and

Robert, and the committee, all are and have always served and

continue to serve during this time. The above names are only

with respect to the Board of Trustees, and the Board of Trustees's

first full year of service.

During the period covered by these and other years, the

only changes in the Board of Trustees were, as can be seen, the

by the election to the full staff of the year. The Board of

Trustees will be considered not only as a positive influence

on the Board of Trustees, but also as a positive influence

on the Board of Trustees, but also as a positive influence

which is being made by the year.

## CHAPTER IX

### SUMMARY

This paper covers the history of track and field of Eastern Illinois University as it progresses from its inception in 1912 by Charles Perry Lantz, through the year 1966 when coached by Maynard "Pat" O'Brien.

Throughout the years, Eastern teams have met with varying degrees of success. Two teams went undefeated in dual meet competition; five won State College titles, but never has an Eastern team won an IIAC championship.

Throughout the years, counting only dual and triangular meets, Eastern defeated 110 teams and lost to 87. Counting just duals alone, E.I. won 98 and lost 81. This figure may be considered especially amazing as up to 1930 Eastern won only 4 duals and lost 23.

Individual stars have been common in Eastern history, with many individuals achieving high prominence. Two of the most prominent were Ray White, NAIA broad jump champion, and Art Steele, NAIA all-American.

Track and field facilities at Eastern have progressed

from the first track facility on the old athletic field, later named Martin Schahrer Field, through Lincoln Field, located on the west campus, and on to an indoor track facility, located adjacent to Lincoln Field, which opened in the fall of 1966, and ushered in a new era of track and field at Eastern.

The writer would like to recommend that at some future time this history be continued, so as to keep records and history of Eastern track available, up to date, and to assure the contributions of various dedicated individuals not be lost.

from the first track facility on the old railroad line, but  
 the second track facility, through Lincoln Field, Iowa, Iowa  
 but on the west coast, and on the east coast facility,  
 located adjacent to Lincoln Field, which opened in the fall  
 of 1966, and replaced in a new way of track and field in  
 Lincoln.

The writer would like to recommend that at some future  
 time this history be continued, as it is very valuable and  
 history of Eastern Coast facilities, as it is, and to  
 around the construction of various facilities and  
 can be lost.
